## 1. Create your account

Open the portal and choose **Create an account**, or go straight to [tourismofficersph.com/register](http://tourismofficersph.com/register).

← BACK TO HOME

### Create your account

Join the national network of tourism officers.

Already a member? [Sign in](#)

Enter your name, email, and a password, then **Create account**. A verification email is sent to your address (from [no-reply@tourismofficersph.com](mailto:no-reply@tourismofficersph.com)) — open it and click the link to confirm your account. *Until you verify, sign-in is blocked.*

Once verified, sign in at [tourismofficersph.com/login](http://tourismofficersph.com/login).

## 2. Browse the award categories

Before you start an entry, get to know the categories. Open **Award Categories** (from the dashboard menu, or at [tourismofficersph.com/awards](https://tourismofficersph.com/awards)).

The screenshot shows the ATOP Pearl Awards 2026 website. The header includes a search icon, a member login link, and a 'JOIN ATOP' button. The navigation menu features links for HOME, ABOUT US, MEMBERSHIP, PROGRAMS, PEARL AWARDS (highlighted), NEWS & EVENTS, RESOURCES, and CONTACT US. The main content area is titled 'Award Categories' and states that there are 15 categories recognizing the best in Philippine local tourism for the year 2025, with submissions closing on July 31, 2026. A search bar and filter tabs are present. The filter tabs show 'All 15', 'Local Government Unit 13', 'Tourism Officers' Organization 1', and 'Individual 1'. Three category cards are displayed: 'Best Tourism Souvenirs (Non-Food)', 'Best Sports Tourism Event', and 'Best Tourism Month / Week Celebration'. Each card includes the ATOP logo, a description, and details about the award: 100 points, 6 criteria, and 3 required entries. A 'VIEW CRITERIA' link is provided for each category.

**Search** by keyword and open any category to read its full details — what it recognizes, who's eligible, and the **scoring criteria** your entry will be judged on. Use this to pick the category that best fits your program before you begin.

### 3. Start a new entry

Back on your dashboard, choose **New entry** to begin.

Creating an entry is **three quick steps**, then you compose the bidbook.

## Category & program

Pick the **award category**, give your entry a **title**, and choose how your program maps to the **coverage year**. The panel on the right explains the selected category.

## 4. Compose your bidbook & submit

The editor opens on your **Draft** and splits the entry into four tabs. A progress bar and a status stepper at the top show how complete you are, and your work **autosaves** as you type.

### Bidbook

The heart of your entry — three parts:

- **Executive summary** — a concise overview of the program, its goals, and the results it achieved.
- **Criteria narratives** — one narrative for *each* scoring criterion. Every criterion shows how many **points** it carries and what it looks for, so you can write straight to it. You may also attach a few optional **supporting-evidence** files per criterion.
- **Supporting documents** — the documents your category requires. Upload a file or paste a shareable link for each; items marked **Required** must be provided before you can submit.

## Review & Submit

A final checklist against the submission requirements — entry title, executive summary, criteria narratives, required documents, declaration, and endorsement. Anything still incomplete is flagged with a link straight to the tab that needs it. When every item is checked **and the submission window is open**, submit.

The screenshot shows the 'PEARL AWARDS — ENTRY' page. At the top right is a button 'Exit to My Entries'. Below the header, there's a section 'MY ENTRIES'. The entry is titled 'Buguias Festival Hosting Excellence' and is categorized as 'Category #4'. It shows a progress bar at '1 of 6 complete' (17%) and a status 'Draft'. Below the title, it says 'Best Event Hosting (Local) · Buguias · Completed within the coverage year'. A progress indicator shows four steps: 1 Draft (active), 2 Submitted, 3 Under validation, and 4 Validated. Below this, there are tabs for 'Bidbook', 'Declaration', 'LCE Endorsement', and 'Review & Submit' (active). The 'Review & Submit' section has a sub-header 'Review & submit' and a note: 'A final check against the submission requirements. Submitting locks the entry for validation.' Below this, there's another progress bar at '1 of 6 complete' (17%). A list of items to review is shown: 'Entry title' (checked with a green circle), 'Executive summary', 'Criteria narratives' (0 of 6 written), 'Required documents' (0 of 3 attached), 'Declaration certified', and 'LCE endorsement'.

Once submitted, your entry moves to **Submitted**, then **Under validation**, and finally **Validated** — or it's **returned for revision** or **disqualified** by a reviewer (you'll get an email either way). A **returned** entry becomes editable again so you can fix it and resubmit.

## 5. Track your entries

Every entry you create, and its current status, lives under **My Entries**.

That's the full applicant journey: **browse categories** → **create an entry** → **compose the bidbook** → **submit** → **track its status**. One entry per LGU per category.
