1. Create your account

Everyone — validators included — starts by registering as a member. Open the portal and choose **Create an account**, or go straight to tourismofficersph.com/register.

Enter your name, email, and a password, then **Create account**. A verification email is sent to your address (from no-reply@tourismofficersph.com) — open it and click the link to confirm your account. *Until you verify, sign-in is blocked.*

Once verified, sign in at tourismofficersph.com/login.

2. Request validator access

A brand-new account is an **Applicant**. To get the tools to review entries, request the **Validator** role from your own **Profile** — no need to email anyone.

From the dashboard menu, open **Profile**. Under your name you'll see your current roles and a **Request a role** button.

The screenshot shows the 'atop' Member Portal. The left sidebar contains a 'MEMBER PORTAL' section with a highlighted 'APPLICANT' button and a 'Profile' button. The main content area is titled 'ACCOUNT Profile' and includes a user profile card for Jose Reyes (guide.validator@atop.local) with an 'Applicant' role and a '+ REQUEST A ROLE' button. To the right is a form with fields for 'FIRST NAME' (Jose), 'LAST NAME' (Reyes), 'DESIGNATION' (e.g., Tourism Officer), 'OFFICE' (e.g., Provincial Tourism Office), and 'EMAIL' (guide.validator@atop.local). A 'SAVE CHANGES' button is at the bottom right of the form.

Click it, choose **Validator**, and **Submit request**.

This screenshot shows the same 'atop' Member Portal Profile page, but with a 'Request a role' modal dialog open in the center. The modal has a title bar with a close button (X). The text inside says: 'Choose the access you'd like. An admin approves it; you'll keep submitting your own entries.' There is a radio button selected next to the 'Validator' role, which has a description: 'Review & validate submitted entries across all award categories.' At the bottom of the modal are two buttons: 'CANCEL' and 'SUBMIT REQUEST'. The background profile page is dimmed.

Your profile now shows a **Validator · pending** badge. That's all you need to do — an ATOP **administrator reviews and approves** validator requests. Once approved, you'll be able to validate entries across *all* award categories; there's nothing else to set up on your end.

The screenshot shows the ATOP Member Portal interface. On the left is a dark blue sidebar with the ATOP logo and a 'MEMBER PORTAL' header. Below this is a navigation menu with 'APPLICANT' highlighted, and links for 'Overview', 'My Entries', 'Award Categories', and 'Profile'. The main content area has a light pink background. At the top right, there's a user profile header for 'Jose Reyes' with a 'JR' avatar and a dropdown arrow. Below this, the 'ACCOUNT' section is titled 'Profile'. A message states: 'Keep your name and office details current — they appear on the entries you nominate.' To the left of the form is a profile card showing the 'JR' avatar, the name 'Jose Reyes', the email 'guide.validator@atop.local', an 'Applicant' badge, and a 'VALIDATOR · PENDING' badge. The form on the right has fields for 'FIRST NAME*' (filled with 'Jose'), 'LAST NAME*' (filled with 'Reyes'), 'DESIGNATION' (placeholder: 'e.g. Tourism Officer', note: 'Your title or role (optional)'), 'OFFICE' (placeholder: 'e.g. Provincial Tourism Office', note: 'The office or LGU you represent (optional)'), and 'EMAIL' (filled with 'guide.validator@atop.local', note: 'Your sign-in email can't be changed here.'). A 'SAVE CHANGES' button is at the bottom right of the form.

3. Sign in and validate entries

After an admin approves you, your validator access usually takes effect **within about 15 minutes**. If it still hasn't shown up after 15 minutes, **sign out and sign back in**. You'll then have a **Review Queue** — every submitted entry, across all award categories.

Open any entry to see the full submission — nominator details, executive summary, the narrative for each scoring criterion, supporting documents, the declaration, and the LCE endorsement. Then take a decision:

- **Validate** — the entry passes review.
- **Return for Revision** — send it back to the applicant to fix (a reason is required).
- **Disqualify** — fail it (a reason is required).

The screenshot displays the ATOP Member Portal Validator interface. On the left is a dark blue sidebar with the ATOP logo and a 'MEMBER PORTAL' header. Below this is a 'VALIDATOR' button and a list of navigation links: Overview, My Entries, Summary, Review Queue (highlighted), Award Categories, and Profile. At the bottom of the sidebar is a 'BACK TO MAIN SITE' link. The main content area has a light pink header with a 'REVIEW QUEUE' link and a user profile for 'Jose Reyes' (Validator). The main content is divided into sections: 'Category #2' and 'Submitted' status, followed by the event title 'Tagaytay Ridge Sports Festival' and its details. Below this is a 'NOMINATOR' section with a table of applicant information. The next section is the 'EXECUTIVE SUMMARY'. At the bottom, there are three buttons: 'DISQUALIFY', 'RETURN FOR REVISION', and 'VALIDATE'.
